1. Does your institution wish to strengthen your AI ecosystem? Are you planning to build an AI Cell or join an AI Consortium?
2. Is your institution prepared to take AI leadership forward by selecting dedicated, high-performing, tech-savvy professors and students to participate in National-level AI initiatives?

If yes, you are about to discover the key to your AI treasure.

Welcome to AI Spectrum!

Subject: Nomination of Faculty and Students for AI Spectrum – International Conference (22–24 Dec 2025) — Reg.

Dear Principal,

Greetings from PSG College of Technology!

The AI Consortium at PSG College of Technology, guided by the EPIQ AI vision (Empowering Ethics, Progress, Innovation and Quality in AI), promotes AI research, innovation, and industry collaboration. We are glad to inform you that the PSG-AI Consortium, is organizing an International Conference on “**AI Spectrum: Bridging Research, Industry & Innovation**” from **22–24 December 2025**, as part of the Platinum Jubilee Celebrations of PSG College of Technology and the Centenary Year of PSG & Sons' Charities. This conference also serves as a **Pre-Summit Event for the AI Impact Summit 2026**, an initiative of the **Ministry of Electronics and Information Technology (MeitY), Government of India**.

As part of this grand event, we are also hosting the **Inauguration of the PSG–AI Consortium, the new AI Wing, AI Spectrum 2025, and the AI Innovation Expo**, providing a platform to showcase cutting-edge AI work from academia, industry, and startups. The three-day event includes:

- **Keynote addresses** by eminent AI experts from IITs and leading industries, **knowledge-sharing sessions**, and **technical talks**
- **Fireside Chats (22 Dec 2025)** — *AI Unplugged: Human Stories, Decisions, Dilemmas & Disruption*
- **Panel Discussions (23 Dec 2025)** — *Healing with Algorithms: Beyond Stethoscopes: How AI is Redefining Modern Healthcare*
- **Exhibits, AI Startup Stalls, Live Demonstrations, and Paper Presentations**

We request your esteemed institution to nominate faculty members and students to participate in this important academic and industry event.

Registration details and “Who can apply?” are enclosed for reference.

Your institution’s participation will not only benefit the nominees but will also help strengthen academic–industry collaboration and build capacity in the rapidly evolving AI ecosystem. We kindly request you to circulate this information and encourage interested faculty members and students to register at the earliest.

Thank you for your support. We look forward to welcoming your delegates to **AI Spectrum 2025**.

Warm regards,

Dr. G. R. Karpagam

Professor, CSE & Director, PSG AI Consortium
