Dear Participants,

Greetings from PSG College of Technology!

We are delighted to inform you that your registration and submission for **Stage 2 of Intellitech Expo 2025** have been successfully received and confirmed. **Congratulations on progressing to the next phase of the competition!** 🎉

As you move forward, please ensure that your team is prepared with all necessary documents and content for Stage 3. You are required to **upload a demo video of your developed prototype** using the link provided below **on or before December 2, 2025**.

Form link: <https://forms.gle/4SDEyXdDou7RrHVF6>

Video Guidelines:

- **Format:** MP4
- **Maximum Size:** 200 MB
- **Recommended Duration:** 3–5 minutes
- The video should clearly showcase your solution's **innovation, design, functionality, and implementation**.

We wish you all the very best as you refine your project for the final stage. Your continued efforts, creativity, and dedication are key to making **Intellitech Expo 2025** a grand success!

Warm regards,

Event Coordinator – Intellitech Expo 2025
